A LETTER FROM THE CAPTAIN...

As many of you know, Captain Marden's Seafoods was founded by my father, Master Mariner Captain Roy Wilfred Marden, in 1945. Now, as then, it is our genuine (and some say obsessive) commitment to quality, simplicity and, of course, the freshest seafood available, that has earned us our reputation as “simply the best in seafood.”

Captain Marden's remains a family-owned and operated business today, with my son, daughter, nephew and I all involved in various parts of the business. Tradition and history have kept Captain Marden's on the right track thus far, and will continue to do so in the future; whether at The Captain's Table and TakeAway, in our retail store, on the menus of New England's finest restaurants, or in your local supermarket.

It goes without saying that we would not be where we are today without the remarkable loyalty and support of our customers. You've never been shy about telling us what we're doing right (or wrong), and it is feedback that we value everyday! Thank you.

Keith Marden, Sr.
“The Captain”
